Wonderful fairways stretch on a vast plain, embellished with lakes, bushes and groves.

Designed in 1982 by architect Paul Rollin, the estate counts 2 courses (9 and 18 holes) fit for both beginners and skilled players. Many obstacles, among which bunkers, ponds or fearsome roughs, guard the impeccable greens. This course is sure to please every player. The Golf de Rigenée puts much pride in its warm welcome and quality of service.
