**To get away from it all, make the short pilgrimage south-east of Liège to Chaudfontaine's warm fountains. Here, the spa water bubbles to the surface at a pleasant 32°C (the only one in Belgium to do so) balanced in calcium, magnesium and fluorine after its 60-year limestone-soaking journey.**

The **Château des Thermes** hotel in Chaudfontaine is a great hangout for a long weekend or lazy Sunday of pampering massages, beauty treatments and splashing in the steaming spa pool overlooking the pretty 19th-century château-hotel and wooded hills. The château's eucalyptus-scented hammam, three saunas, indoor and outdoor pools, treatment rooms and attentive staff all help to wash your cares away.

## Les Thermes de Chaudfontaine

The thermal space invites you to enjoy its many installations, designed for perfect relaxation:

- an outdoor thermal bath with water at 32°C and hydro jets
- an indoor thermal pool
- jacuzzi
- saunas, steam rooms and caldarium
- infrared, salt and ice cabins

The relaxing lounges and zen gardens offer a timeless experience.

## **Treatments and massages**

Make the most of your visit to indulge in one of the treatments on offer (either selected from the list or a full day): face or body treatments, thermal water treatments, massages for two...

## **Stay a little longer**

The **Château des Thermes**

offers a choice of 45 comfortable rooms and sumptuous suites, should you wish to enjoy a full weekend on site.
