**The Mont Garni Golf Club, situated in the municipalities of Baudour and Sirault offers a challenging 18-hole course stretched across a 150-ha estate.**

Its 18-hole course (par 73, length 6,331 m) is one of the longest in Belgium. It was designed by Irish Architect Tom McAuley and has a very varied landscape.

The first and last 6 holes are located in the woods, whereas the other 6 are in fields. Its many bunkers and water hazards will offer an interesting challenge to players, even experienced ones.
