At the top of the Citadel of Namur, in a protected green area, the Reine Fabiola amusement park guarantees a whole day of fun for the family.

The park **opened in 1959** and is managed by the Youth Department of the city. The aim was to give **children between 2.5 and 12 years of age** a playful area, set in nature. The heights of Namur, a protected green area, seemed a logical choice to bring this project to life.
