**The Signal de Botrange, located at 694 m in the Hautes Fagnes - Eifel nature reserve, is Belgium's culminating point. Picture perfect!**

## Breath-taking panoramas

This nature reserve is known for its large stretches of heathlands and bogs. Look around: woodlands, water points, hedged farmlands and picturesque villages, Germany, even further ahead.... The variety of landscapes simply is fascinating.

[Check out the many walks starting from the Signal de Botrange.](#)
