Looking for an original activity with family or friends? Try the Railbike and pedal through the beautiful wooded landscape of the Haute Fagnes.

What is Railbike or Draisines?

A draisine (or railbike) is a trolley that travels along former railroad tracks and is propelled by its riders.

A unique way to discover the Hautes Fagnes

Pedal along the 7 km old railway track linking the station of Kalterherberg to the Sourbrod one and enjoy stunning landscapes. The ride takes 2 hours.

Fun for all

- A draisine can accommodate **4 adults** (2 who pedal, 2 who relax. You can stop and switch places whenever you feel like it)
- Anyone tall enough for their feet to reach the pedals can use a Railbike – no age limit!
- The seat is retractable to allow **wheelchairs** on board
- Booking highly recommended
