**From the Maison du Pays des Collines, walk through the village of Ellezelles and prepare to meet with mythical creatures.**

Something is happening in the village of Ellezelles, in the Pays des Collines... Something magical, supernatural even, which can be glimpsed when turning the corner of a street, looking through groves or even at the entrance of the forest: an invite to **a pleasant 5 km long trail.**

Watkyne, a pioneer of folk art, came up with the idea of a stroll in nature, featuring sculptures and bas relief themes around witches, elves, etc... in the 80s.

Every year, a few more pieces are added to this incredible trail.

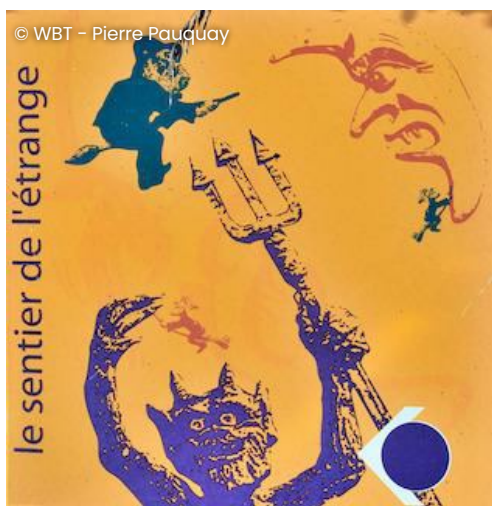

Think of it as an **open-air museum**, an outdoors permanent exhibition which can be visited throughout the seasons.

Departure: Maison du Tourisme d'Ellezelle
