**Les Trappeurs is a delightful guesthouse, located in the village of Laneuville-au-Bois, which enjoys stunning views of the nearby plains and Saint Hubert Forest.**

The building is a *passive house*, focused on sustainability: wooden beams, ecological materials whenever possible.

## Description of the guesthouse

There are 3 bedrooms (one being a family suite) to choose from, each with its own private bathroom.

Bernard, the owner, is a chef by trade: he will gladly prepare a terroir inspired or gastronomic meal for you. Even better: some of the ingredients come straight from his garden...

Les Trappeurs can also organise a range of activities for you: trout fishing, forest walks, yoga, museums, guided tours, Finnish sauna...
