**La Petite Suisse, in Lompret (one of the prettiest villages in Wallonia), invites you to discover cow breeding and the products made on the farm.**

## **The joys of rural life**

There are 10 races of cows to discover on site. This visit is a wonderful opportunity to meet with a producer, understand life in the countryside, pet animal... and of course try terroir products: cheese, cured meat, fish, beer, juice, apéritif.

Visits: 5€/person, free for children. Booking essential.

La Petite Suisse focuses on respecting natures in all its activities. The farm has joined collective projects to restore calcicole grasslands and plant a fruit tree trail.

## Meat hampers

La Petite Suisse can organise these for you - a well-balanced selection of cuts, vacuum-packed. This can be delivered for free or you can choose to pick it up from the farm directly.
