**The Val de Poix Hotel, in the heart of the Ardennes, offers you a relaxing setting for your next break in Wallonia.**

The hotel features 42 rooms, including 11 family rooms all decorated by famous Liège designer Baudouin Fettweiss'. Guests can enjoy the perfect balance of modernity, ecology and tradition.

## The Val de Poix, regional gastronomy and relaxation

The hotel's **gourmet restaurant** will take on a culinary journey: the very best of the region's recipes are recreated here with a contemporary twist.

La Grignote brasserie, in turn, offers pleasant a pub atmosphere.

Why not order one of the **local brews**, an Orval, maybe?

The terrace, along the river, has a poetic touch. Perfect place to enjoy an aperitif or a meal in summer.

## **A hotel in the heart of nature.**

The hotel is nestled in Poix's **nature preserve** – an exclusive location! The double structure of the building is linked by a walkway overlooking the Lhomme river, which then cuts through the village.

Nicknamed in the 50 the Little Paris, Poix will prove perfect for a discovery-break, a relaxing or romantic weekend, a family stay... or even a business seminar.
