**This 5 days festival dedicated to art and recycling guarantees a cheerful atmosphere with music, a market, an exhibition and a special evening for the younger crowd.**

## The Récup'Arts village

This village reminds us men should consider the limited resources of nature, our impact on the environment.

Artisans and crafters will present works made from unwanted objects, inspired by upcycling.

Visitors can also enjoy workshops there

## The market

The pottery and ceramics village will feature 70 artisans, delighted to share their passion with you.

Creative activities and workshops will be available to adults and children as well as demonstrations of artisanal skills - all in a musical, festive atmosphere.

Entry is free and a small meal will be offered to visitors
