Looking for a fun, relaxing way to see Namur? Try these rickshaw tours, sure to delight adults and children alike and filled with fascinating anecdotes...

Long distance guided tours

- These rickshaws are not, as you may have seen in other European cities, an alternative to taxis; these are only used for guided tours in Namur. They prove the best way to see more of the town in a short time as you can cover so much more than on foot.
- The driver doubles as your guide for the visit, sharing stories and anecdotes about the city throughout the tour. The commentary is adapted to the passengers: children, history lovers, travellers from all around the world.
- Everything has been done to make them accessible to travellers with reduced mobility. Let us know whether you have any special need and we will do our best to help.

2 trails to choose from

- Tales of the citadel (30 mn, 6 km)
- Strawberries & the islands of the Meuse river (60 mn, 18 km)
