**Whether you like nature, comfort or sports activities, the Golden Lakes holiday village is made for you. Located by the Eau d'Heure lakes, near Namur and Charleroi, the estate enjoys an exceptional green setting.**

No need to go to the end of the world for a total change of scenery! Picture this: a superb wooden villa decorated in soothing tones, set on the edge of a lake. A preserved environment where nature reigns supreme. You would be close to all the activities of the Lacs de l'Eau d'Heure, yet the atmosphere is peaceful. In this relaxing setting, everything has been thought out for an unforgettable family stay. Children can play around the villas in complete safety.

Want to enjoy nature? Bundle up for a bike ride around the lake or an invigorating winter walk and grab a nice hot chocolate on the

way home. Is the weather looking grim? Live unforgettable adventures aboard an amphibious vehicle or slide down the slides of the tropical swimming pool. Or use your spirit of cohesion to solve the puzzles of an escape game or your team spirit against your opponents at the laser tag. The possibilities are endless...

Go from 40 meters underground to 107 meters above it

Staying at the Eau d'Heure Lakes without visiting the [La Plate Taille dam](#) would be a sin! This is the largest dam in Belgium and the only one that can be visited from the inside. Start by locating yourself on the giant model of the site, listening carefully to the fascinating explanations of the history of this grandiose project. Then follow the guide and descend into the bowels of the earth to engulf yourself in the dam gallery, a concrete tube 40 meters underground. It's 450 meters long...

Back in the great outdoors? The elevator takes you to the impressive engine room, before arriving at the highlight of this visit: the breathtaking view from the 5th floor of the observation tower. Does the glass floor impress you? Look around you instead: water and trees as far as the eye can see...

## Description

Stay in one of the charming lakeside holiday homes that can accommodate families (4, 6 or 8 people).

The bungalows with terrace are equipped with:

- 1 dining room
- 1 living room
- 1 kitchen with dishwasher and microwave.
