Jodoigne hosts the oldest pumpkin, squash and gourd festival in Europe. Artisans will put on show their most beautiful vegetables.

The pumpkin and strange, intriguing and forgotten vegetable fair in Jodoigne brings more than 100 artisans and producers together. More than 100 varieties of pumpkin, squash and gourd will be on show.

Program

The competition of the biggest pumpkin and the best-decorated squash is always very much looked forward. The fair will also have a kid's corner and will serve a nice range of special brews for beer lovers.

A quirky and heart-warming event.
