Created in December 2010, the Vin de Liège cooperative is dedicated to bringing vineyards back to the Liège region: 12 hectares have been planted between 2012 and 2014.

This citizen's initiative aims at developing a regional, sustainable economy, respecting the environment.

Le Vin de Liège chooses carefully its viticulture and vinification options to produce quality organic wines (up to 100,000 bottles a year).

Visits and shop

By booking one of the dates available on the website, you can organise a group visit (2.5 hours) to the vineyards, the main building, the facilities and enjoy a wine tasting.

You can also stop by the sales counter to purchase local produce on Wednesdays, Fridays and Saturdays.
