The Brasserie du Val de Dendre chose the family barn to brew their "Brut", the perfect blend between the brewing and wine making world.

This microbrewery set in a sweet little farm in the village of Ollignies brings together the beer and wine making world. The master brewer, François, created from this wonderful alliance the "**Brute**" beer, an ever so refined brew.

Some reinvent the recipes for their favourite dishes, others like François choose beer. Patiently, month after month, he brewed original creations until he found a unique combination of flavours: intensely refreshing and delicately fruity.

Beer, revisited to offer a brand-new flavour experience!
