L'Atelier du Vieux Marronnier is a custom framing workshop (pictures, paintings, comic book pages...) in Bastogne, in the province of Luxembourg. Worth a visit!

The matting, framing, glass cutting: everything was done by hand. It is all about highlighting the value of an object... but also protecting it.

Groups can join a workshop to learn framing techniques, explained step by step all the way to the finishing touches. A master framer will guide you through the process.
