Come and taste the star products of Theux, choose between a fruity wine "La Fleur de Franchimont", mead and other spirits.

The **Fleur de Franchimont** is the **flagship product** of the Theux region. This fruity wine made from apples gives off a freshness and an inimitable taste. The wildflowers that make up this typical brew contain a lot of antioxidants that are very good for your health. Nicolas Klingler and his associates also produce mead and other spirits like **Spa Dew** or **Fine Fleur**.

Spirits with incomparable flavours!
