**Located in the grazing lands of Büllingen, the Kessler farm breeds Haflinger mares and makes products from mare's milk.**

The Kessler farm is nestled in the stunning pastures of Honsfeld. Focusing on breeding Haflinger mares, it is also home to other animals, which should delight children. Mares' milk is used to make delicious treats (and can be tasted on site) but also come into the composition of beauty skin products.

**Try this atypical product in its stunning setting.**
