**Les délices de Marie started in 1995, making small batches of apple cider. This proved so successful they increased their production and added to their range.**

Among the many delicacies are fruit and flower sparkling wines, made the traditional way. A first fermentation happens in the tank, a second in the bottle. 9 months later, a slightly sweet bubbly can then be enjoyed. It proves low in alcohol (8.5%) and comes in several flavours: elderflower, pear, quince, rhubarb, raspberry and cherry.

Other treats include apple juice, apple jelly, cider vinegar.
