**In the Villers Abbey's archives was discovered one of the monks' recipes for beer, dating back to the 18th century. This precious find inspired new recipes to its microbrewery.**

4 organic craft beers are now brewed within the abbey: the V, IX, the Lumineuse (light) and the Ténébreuse (dark). Visitors can learn how beer was brewed over time, whether in Villiers or elsewhere in the world.

## Brewed from organic ingredients

The 4 beers brewed on site by the Brotherhood of Hostieux Monks are made with organic ingredients.

- The Villers V beer or *L'Authentique* (the authentic one): light, brewed in the purest tradition of abbey beers
- The Villers IX beer: a 9% triple beer perfect with a meal

- The Ténébreuse and the Lumineuse: these beers refer to the abbey's motto: *post tenebras, spero lucem* (after darkness, I hope for light)

## Visitors with specific needs

The Villers Abbey's microbrewery is part of the many sites certified by [Access-i](#) (meaning with facilities or/activities adapted to travellers with specific needs). You will find more details on the [Access-i](#) website to plan your visit.

The traditional recipe, having travelled through centuries, the historical setting of the brewery really make these beers stand out during a tasting.
