**Countryside golf in Stoumont brings a twist to the traditional golf game. Playing golf in grazing fields with animals around is well known in Holland but it's always quite a surprise to the newly acquainted. The course, set in the stunning setting of the Parc Naturel des Sources, offers different challenges as the weather changes.**

The Golf champêtre de Stoumont features a 1,700 m trail going through meadows. There are 12 holes to play, with farm animals along the way and fantastic views of the Amblève valley. Mounds, slopes, vales, ditches will add to the test... but fun is guaranteed!

### A fun day out

- Depending on the season and weather, the course offers a range of challenges
