Gemotions crates modern scavenger hunts. All you need is a mobile phone: riddles and challenges will be sent by text, a fun way to discover a city, a secret gem, a park, a museum... You can also create your own trail on their website.

A wide range of trails to choose from

Explore towns (Namur, Liège, Mons) and some of the prettiest villages in Wallonia! Thanks to [the adventure of Druid Cranog](#), you will discover Ny, Wéris and My, their poetic landscapes, local producers and cultural heritage.

Gemotions is the perfect platform for fun time with family and friends. Company events can also be organised on request: these interactive adventures are perfect for team building and networking.
