Come and enjoy one of the greenest cycling trails of the RAVel network in Wallonia. This former railway track, 40 km long, goes through the Pays de Hervé and used to link Chênée and Plombières. Part of the route has been certified mobility friendly by Access-I.

This stunning green belt is car-free: perfect for runners, hikers, horse riders and cyclists.

Start your stroll at the Maison du Tourisme du Pays de Herve and head for Thimister then Clermont-sur-Berwinne (one of the most beautiful villages in Wallonia). E-bikes and mountain bikes can be rented from the Maison du Tourisme.

The 9 km route between Herve et Fléron is Access-I certified

You will find, along that part of the itinerary, several railways

stations turned into restaurants, brasseries, bakeries, tea rooms, administrative centres...

Ramps and bypasses will help you to manoeuvre more easily.

Worth seeing along the way:
