This 32 km bike ride explores the commune of Rendeux and its story during WW2, with a focus on the Battle of the Bulge.

This cycling itinerary features 24 points of interest:

- commemorative plaques and monuments
- graves and headstones
- a tank

Some of these locations (the British memorial, the Commonwealth grave...) pay a tribute to British soldiers who have died during the war.

There also is a former German bunker, built to defend a military camp, to discover.
