**L'Espace Wallonie de Bruxelles presents the Rêveries exhibition by underwater photographer Harry Fayt. A fun and interactive event not to be missed in the capital.**

### Fun exhibition in Brussels

Imbued with figurative surrealism, the Rêveries exhibition offers the widest selection of works by this artist exhibited to date. The event brings together the most iconic images captured by Harry Fayt, in dialogue with his portraits of personalities such as Typh Barrow, Kid Noize and Sara de Paduwa, underwater.

The photographer has inserted references to art history into his work. The Artivive application helps solve these intriguing puzzles and immerses you in this unique world thanks to additional

content.
