

A delightful nature walk in a wetland area | Lomprez

WBT - S.Burgeon

Rue Du Mont
Wellin - 6924

Near the village of Welin, the Natagora nature space offers a short - but delightful - walk in a wetland area, where the Ave stream overflows.

A fantastic biodiversity

This didactic, slated path offers a wonderful insight into this biotope's flora and fauna:

- enjoy the enchanting scent of meadowsweets
- watch dragonflies follow you along the way and the reeds dance in the breeze
- listen to the stream's musical whispers and the buzz around the insect hotel

Near the wetland

- BBQ area
- Lomprez mill (visits on request)
