Géraldine and her family will be delighted to welcome you in her farm in Borlon (near Durbuy). There, she makes the most delicious cheese from her goat's milk, animals she loves and cares for with great tenderness. Respecting the wellbeing of her animals - as well as nature - is at the very heart of her philosophy.

High quality cheese

The raw milk from the farm's 30 goats is used to make succulent cheese:

- Fresh goat's cheese
- Aged goat's cheese
- Ashed pyramids
- Feta...

These can be bought from the farm's shop.
