This rather sporty walk explores the wild side of the Ardenne, where the Ourthe river sculpted deep valleys and some of the most beautiful landscapes in Wallonia.

After going down towards the Ourthe, you will pass Cheslé, a natural fortress used by the Celts in the VIth century BC. Listed as exceptional cultural heritage, this site offers breath taking views.

Description

Start: the church in Bérismenil

Distance: 5 km

Level: difficult

Marking: yellow cross
