With 30 trails over the East of the Wallonia, over 600 km of walks, 17 000 m elevation, Extratrail is the largest network of nature trails in Europe.

Most of these itineraries are along forest paths. The start from the partnering tourist offices in Belgium:

- Spa
- Stoumont
- Jalhay
- Stavelot
- Theux
- Trois-Ponts
- Malmedy

The UTDS (**Ultra Tour des Sources**) links these 7 communes via a 157 km loop - perfect to discover the Belgian Ardenne.

Marking, performance, geolocation

- The signs are easily recognisable thanks to their specific design: the feature the logo of the commune and a coloured code for each distance
- A synchronisation via social networks enables trailers to show their progress and measure their performance
- Elaborate tracks, based on geolocation software, gives you the option to download the maps and see our progress
