This walk by the Château de Modave will take you through the Condroz region.

From the castle, walk along the superb alley of beech trees then across the forest, towards Petit-Modave.

The path continues through an alder forest, by a delightful nature reserve.

Further on, Val Tibiémont will make you feel time has stopped. This forgotten hamlet, nestled within woodlands and crossed by the Hoyoux, really is picture perfect. Absolute peace...

A feeling you will find again when visiting the Château de Modave at the end of your walk.
