Fasten your seat belt! The cable car of the Citadel of Namur invites you to admire splendid panoramas over the town, its fortress and the nearby landscapes.

The experience

- The cable car, starting from Place Maurice Servais in the historic centre, steps over the Sambre river and flies towards the walls of the citadels, stopping on an esplanade 650 m further, reaching its culminating point at 103 m above the ground.
- The peaceful journey, between heaven and earth, lasts just 4 minutes
- Once back on solid ground, more gems can be seen in the citadel or in the town.
