Keramis features, for the very first time gathered, 20 bowls representing the two editions of the Treasure Bowl Collection, started by the AIC (Académie Internationale de la Céramique)

About the exhibition

Treasure Bowl Collections I-II concludes the collaboration of international artists (1 per edition) with one curator, part of the AIC (Académie Internationale de la Céramique).

To design these bowls, the artists looked at 18 ceramics borrowed from 2 Belgian museums: the Musée royal de Mariemont and Keramis.
