**Immerse yourself in the fascinating country of Iran at the Musée de la Photographie in Charleroi, with this exhibition by Sébastien Cuvelier: Paradise City.**

### What to expect

- In the 70s, the photographer's uncle went to explore Iran, keeping a diary of his expedition. Inspired by the writings, Sébastien Cuvelier returned several times to get his own perception of the country
- Through this project, combining archives with his own vision, he imagined a dialogue between Iran (before the fall of the Shah) and the country as it is today, searching for an elusive and dreamlike version of paradise
