Set at the foot of the Citadel of Namur, La Brasserie artisanale de Namur is known for La Houppe and La Jambes en l'air beers.

The brewery

It was born of the friendship of 5 persons from Namur looking for a challenge. They decided to create a beer that would reflect the personality of their town and started to work in a former brewery just a kilometre away from Namur.

The beers

- La **Houppe** - triple ale, slightly amber in colour, refined bitterness (7.5°)
- La **Jambes en l'air** - an aromatic golden ale (4.5°)
- La **Chirlike** - a Houppe matured in a Armagnac barrel (7.5°)
