This walk along the secret valley of Roannay, on the edge of the Spa region, is such a gem: its humid forests offer a remarkable biotope.

This hike runs along the Spa fen from which numerous streams emerge, including the Roannay and crosses a majestic forest alternating conifers and deciduous trees.

The exceptional spruce trees , in the valley, are marked with their date and height. Some are almost 50 meters high.

Departure: Rue Emile Goedert 6 at 4970 Stavelot

Distance: 14 km

Difficulty: medium

Marking: yellow cross and red rectangle

The proximity of the Spa fen and the humid Roannay valley

impose waterproof shoes.
