This mini golf course is located in a very pleasant setting in the Parc des Sept Heures, near the center of Spa.

This exciting specially designed mini-hole course proves the opportunity to test your precision by placing the golf ball in the hole in as few shots as possible.

Children from 5 years old will have a lot of fun in this little family competition, on often quite interesting terrain. Take the opportunity to explain the principle of force and rebound on the edges to them... and that the main thing is not to win but to have fun!
