**The Golf de Durbuy courses, at the heart of the Belgian Ardennes, counts among the most technical in Belgium.**

Designed by English architect Fred Hawtree, the Golf de Durbuy can be found in the Province of Luxembourg, on a hilly, tree planted site, just 50 km from the airport of Liège and 2 km from Barvaux. Its varied course is one of the most technical in the country, its fairways are narrow, surrounded by woodlands and half the greens are raised.
