From 8 am until 6 pm, more than a hundred horticulturists animate this sumptuous colorful market.

Our big flower market on Good Friday is a **spring festival**, a popular floral event and, in the opinion of specialists, one of the most **prestigious and successful markets** in the country.

The origin of this one goes back to 1825, since, every year, about **seventy florist exhibitors and nurseries** come back to present in the framework of a contest, their traditional productions but also sometimes plants recently appeared on the market.

The productions are placed by category on the Reine Astrid square and park. Add to this concerts and animations - the promise of a fantastic day!
