**The Cave of Lorette, part of the Caves of Han estate, can be found in the province of Namur, only 300 m from the centre of Rochefort. A fantastic opportunity to discover a magical, underground world!**

### A light and sound show

The guided visit (1h30) will take you down an impressive maze of galleries and chambers, all the way to the spectacular "Salle du Sabbat" (**Sabbath Chamber**), 60 m underground. The guide will let off a small **hot air balloon** to help you realise how high this cave is: **85 m**! This comes with a sound and light show.

### Learning about tectonic phenomena

The newly built reception area screens "Vidéokarst", a film

explaining tectonic phenomena and presenting the Val d'Enfer research laboratory.
