Come and see dozens of hot air balloons take off, like rainbow bubbles floating in the sky...

These beauties come in all shapes and colours. This could even be the occasion of a **first flight in a hot air balloon** (book in advance), a wonderful opportunity to **see the Famenne region from up high**... Each experience lasts for an hour or so.

Program

There will be a wide range of animations and activities in parallel of the hot air balloons taking off: walks, a family friendly cycling hike, a large craft market, a volley tournament on grass, a wheelbarrow race, model aircraft flying demonstrations, dog obedience demonstrations, villages competing on a variety of games, vintage cars, a play area with bouncy castles, model

hot air balloons, initiations to paragliding and more!

A memorable day – not to be missed.
