**The Libramont Agriculture, Forestry and Agrifood Fair is the biggest annual open-air event of its kind in Europe. Mark the date: it takes place every year on the last weekend of July.**

It takes place at the Libramont Exhibition & Congress where 700 exhibitors will gather.

### Showcasing the agricultural world

The Libramont fair aims at highlighting the many aspects of the rural world: machinery, breeding, forest, agri-food... This event, created in 1926, celebrates the Belgian draught horse, which golden age was between the late 19th century and 1940.

**The fair attracts every year close to 200,000 visitors, 800 exhibitors and brands over a 300,000 m² site.** Although the Ardennes draught horse has gradually dwindled in number,

competitions (with no less than 200 horses) are still held yearly, attracting large crowds to the Belgian province of Luxembourg.

## A family event

Children can enjoy a play area (including a toddler one), fun activities, parades, exhibitions presenting animals, horse shows and a petting area. A family trail will introduce the little ones to the farm world and forest management.
