In the vaulted cellars of Stavelot Abbey, the Spa-Francorchamps Circuit Museum tells the story of these legendary racetracks. Discover its constantly renewed collections as well as documents to discover in the province of Liège.

The prestigious history of the circuit

Experience the passion of the pioneers of yesterday, of today's pilots through:

- exceptional collectors' cars - kept impeccable
- unpublished video documents
- unusual objects

The museum gives a new dimension to Formula 1 and the thrills of 24-hour motorcycle and car races. In turn, the "Demoiselles de Herstal" nostalgically evoke the glory days of Liège industries: FN, Gillet and Saroléa.

A large model and Playstation 4 consoles add to the experience: you can imagine being Fangio, Senna or Schumacher for a virtual lap on the Ardennes ring.

2 other museums to visit
