One of the oldest events of its type in Hainaut, the "ducasse" of Messines has kept the charm and traditional appeal of old times in the guise of a flower and antique market. So much so it is now considered oral and intangible heritage of the French speaking community.

400th anniversary of the Ducasse

To celebrate the 400th anniversary of the Ducasse Folklorique de Messines, various activities and events will be organized throughout the year:

- conference
- Oberbayern
- large flea market
- procession of giant puppets

- large flower and artisan market
- pilgrimage mass
- concentration of more than 50 Belgian and French giant puppets
- celebration of the Federation of Walloon Folklore Groups
