Discover steam locomotives and vintage cars at the Steam Festival of the Steam Railway of the 3 Valleys of Mariembourg.

The Steam Festival is an unmissable event for locomotive enthusiasts. You can of course travel aboard an authentic steam train, which takes you directly to another era.

2 days of celebration

The festival offers a rich themed program of activities:

- About fifteen authentic steam locomotives will tow various convoys of vintage cars
- Activities related to locomotive traffic and shunting
- Miniature railway flea market and railway themed books
- Presentation of a little know expertise
- Miniature networks and small circuit for children

- In Treignes, possibility to visit the museum and eat.

A journey to discover the past for some and a return to childhood for others!
