Take a stroll in Liège on the first Saturday of October: the city will be beautifully illuminated with candles for the Nocturne des Côteaux. A magical event turning the city into a fairytale scene...

That evening, alleys, courtyards, staircases and terraces will offer a particularly festive and enchanting atmosphere. The star, of course, is the Montagne de Bueren with its 374 steps, each decorated with candles.

Prepared to be wowed

There will be...

- 20,000 candles illuminating the city
- Fantastic light animations, shows and concerts
- A unique sight: sheep grazing in meadows, wearing quite

extraordinary sweaters, woven with LED lights (4,000 in total)

- And so much more

Such a fantastic way to see Liège's cultural heritage and hanging gardens...
