Join one of these special visits at the Han sur Lesse Wildlife Reserve to get closer to bellowing stags, at dawn or at dusk.

Listen to bellowing stags

The bellowing (stags' love call) is quite a powerful, fascinating sound. It often brings fights with other males, a way to prove strength and superiority.

Join one of the excursions (either on foot or on a safari car) for a chance to observe the stags' habits without disturbing their habitat. The setting alone, the forest of the Ardenne, is worth the detour.

- At dawn: yes, you will have to get up pretty early... but you will not regret it. Coffee and croissant included.

- At dusk: a special moment. Make it last longer with a delicious meal at Le Pavillon
- With your little ones (from age 4) on a tour just for them

Practical information

- Please wear warm clothes and walking shoes
- Duration: 3h30 at dawn, 1h45 at dusk, 1h30 with children
