These industrial masterpieces are listed by UNESCO. You can access the canal directly at the lock. It takes less than 3 minutes by boat thanks to the new boat lift.

On site: mooring deck for club members and visitors, equipped with individual water and electricity metres. Harbour Master's office with 24/7 video surveillance.

Fully equipped Club House (showers, toilets, BBQ, green space with tables and benches).

Access to the marina with a personal magnetic card.

Easy parking to access the marina, Club House and Harbour Master's office.
