Looking for an adventure? Yvoir is the only island open to visitors between Namur and Dinant. There are many activities, sure to delight adults and children alike.

To explore this little paradise, take the small drawn boat (on the Yvoir side, free, every day mid-April to end of September, from 10 am to late) and you will be on your way to a spectacular green setting.

Yvoir has everything you need to relax and have fun:

- Paddling pools for children
- 2.5 hectares of nature
- The option to rent kayaks and electric boats (no licence required).
- Water or jet skiing
- Tavern on site with a generous, varied menu.

Perfect options

The island can be used for events – no booking fee as long as guests buy their food and drinks from the tavern. Perfect for celebrations or company events. Group packages, combining the visit with other attractions in the area are available, at unbeatable prices.
